

Our Lady of Good Council (OLGC) Ministry of Compassion is a bereavement support group to help those who have lost loved ones. Our program offers participants caring support, understanding, and a safe, non-judgmental environment, all of which promotes healing after losing a loved one. Our Fall Session will run from Sept 25th – Nov 13th, meeting each Monday at OLGC. If you have recently lost a loved one, please consider joining our Ministry of Compassion to embrace your journey more serenely. All religious affiliations are welcome. We welcome new volunteers who would enjoy participating as Facilitators at our weekly meetings.
