

## **CHRISTIANS IN COMMERCE**

MEETINGS TAKE PLACE HERE AT ST. MARK EVERY WEDNESDAY MORNING FROM 7-8AM IN ROOM C-103. PLEASE COME JOIN US!!!!

Christians in Commerce is men and women working to bring change to their workplaces. We are young and old, Catholics and Protestants, owners and employees, blue collar and white collar, management and front line workers. Our purpose is to transform where we work - offices, schools, factories and hospitals - into places where the love and power of Christ is present and we produce goods and services with excellence. We support each other in living the life of Christ and building the Kingdom of God. We are eager to draw others into the life and work of Christ. All is done in Christ Jesus, through the power of the Holy Spirit, to the glory of our Father.
