

**God, are you sure that you are calling me to do this?** Do you want to meet with other *St. Mark* parishioners with similar interests, whatever that interest may be to help grow in your faith? *St. Mark* Catholic Church has been gathering in small groups with similar interests since its founding in 1965 with the formation of Neighborhood groups and Small Communities of Faith. Many of our existing Community Growth Ministries started with an idea, a good leader and willing volunteers. Maybe you have an interest or an idea that you'd like to share with other Parishioners on a weekly/monthly basis. We have groups meeting that speak/study French, parents who have Children currently in College, Seniors who meet for lunch and field trips, parents/friends of gay/lesbian loved ones and a Prayer Shawl ministry just to name a few. If you would like to start something new, please let me help you get that "something" started, whatever is that God may be calling you to lead or become involved.
